

BLAF GROUP FITNESS

Class Descriptions

ACTIVE MOVERS

Classes designed for older adults looking to work on basic strength, fitness and balance. This class is a friendly and safe environment for older adults.

Centres: APARC

.....

AQUA AEROBICS/AQUACISE

A whole body gentle conditioning workout to improve overall strength, particularly the core muscles. This is a water based class that is suitable for all levels. Due to the in-water nature of the class, this class reduces bodyweight and allows participants to complete movements in water that they wouldn't necessarily be able to do on land.

Centres: APARC, BSC, HALC

.....

AQUA HI INTENSITY

A high intensity class in the water designed to push you to improve your overall fitness and endurance.

Centres: APARC

.....

AQUA MOVERS

Designed for individuals of all levels of ability and mobility 50 years and over. Aqua Movers is a simple water based exercise class.

Centres: APARC

.....

BARRE

A challenging resistance and cardio workout using the ballet barre, therabands and balls, to tone lengthen and balance the body.

Centres: APARC, HALC

.....

BODYART

An intense holistic and functional mind and body workout combining strength, flexibility, cardio and breathing. Practiced barefoot, BodyART has been described as a tribal, flowing yoga-inspired class set to cool house music.

Centres: HALC

BODY BALANCE

Body Balance is a pre-choreographed class that uses a mixture of Tai Chi, Yoga and Pilates to focus on flexibility, strength and balance.

Centres: APARC, BSC, HALC

BODY ATTACK

Sports-inspired cardio group exercise workout by Les Mills. This high-energy interval training class combines athletic aerobic movements with strength and stabilisation exercises.

Centres: HALC

BODY STEP

An energising step workout using a height-adjustable step and simple movements on, over and around it for a leaner body. Cardio blocks push fat burning systems into high gear followed by muscle conditioning tracks that shape and tone your body.

Centres: APARC, HALC

BODY PUMP

Body Pump is a Les Mills class designed to burn calories and build muscle. Body Pump is completed to upbeat backing tracks and involves the use of barbells, weights and steps to help you achieve your goals!

Centres: APARC, BSC, HALC

BOXING/BOXING CIRCUIT

Boxing classes encompass both the technical aspects of boxing, along with core strengthening exercises. You will learn boxing skills such as correct form in throwing jabs, hooks and uppercuts, whilst working at an intense pace.

Centres: APARC, BSC, HALC

CIRCUIT / FUNCTIONAL CIRCUIT

Circuit classes are an all-around class that focus on a holistic approach to exercise. Circuit classes will challenge every part of your body and allow participants to work at a low, medium or high intensity depending on their preference. Circuit classes use a range of equipment where the instructor delivers their programming. Circuit classes are a great way to meet new people, get active and achieve your fitness goals whatever they might be!

Centres: APARC, BSC

CORE CIRCUIT

A combination of high and low intensity exercises focusing on the core and using a range of equipment including barbells, dumbbells, steps, and even body weight exercises to help burn fat and improve cardiovascular health.

Centres: BSC

.....

CORE & MORE

Core & More uses cardiovascular exercises and core stabilisation work to improve posture, coordination, muscular strength and endurance. Using circuit protocols, participants use fitballs and free weights to complete a variety of exercises.

Centre: BSC

.....

LES MILLS CORE

This 30-minute low impact, low cardio workout is the ultimate way to get a tight and toned core. Les Mills Core hones in on your abs, glutes, back, obliques and sling muscles connecting the upper and lower body.

Centres: APARC

.....

CYCLE

Freestyle stationary cycle workout that will build endurance and provide great cardiovascular training. Our classes are led by our expert fitness instructors and provide a fun group environment and ever changing scenery and challenges.

Centres: APARC, BSC, HALC

.....

DANCE FOR NEUROBALANCE

Dance for Neurobalance is a therapeutic and artistic class combining different dance genres in a supportive environment. Emphasis is placed on coordination, rhythm, mobility, balance, breath, fluidity of movement, musicality and creative fun. Designed to target adults with neurological disorders and taught by a certified Dance for Parkinson's instructor.

Centres: HALC

.....

DEEP WATER RUNNING (DWR)

DWR simulates land-based movements in deep water while free-floating or using buoyancy tools. This type of exercise removes stress put on the joints during load-bearing exercises. Hydro belts are often one of the tools worn in this class to suspend participants in the water while they complete a range of drills.

Centres: APARC, BSC, HALC

EASY MOVERS

A gentle chair-based resistance class that aims to improve ability to carry out essential day-to-day activities. A doctor's clearance is required before attending this class.

Centres: APARC

FREESTYLE STEP

Freestyle Step is a high intensity, fun, motivating class that uses a mixture of free weights and steps - completed to upbeat music – that focuses on achieving fitness goals in cardiovascular endurance.

Centres: APARC, BSC

FUNCTIONAL YOUTH GYM

Focused on strength based resistance training, correct exercise techniques and ensuring the safe form of weightlifting in the gym, this class is designed to create a fun and enjoyable environment for youth members to be involved in.

Centres: APARC, BSC, HALC

GENTLE STRENGTH TRAINING

This is an excellent introductory class for our older adults who are looking at becoming active after a period of inactivity. This class is well-designed for older adults, using chair-based and standing exercises that focus on balance and strength to prevent falls.

Centres: BSC

GENTLE WATER EXERCISE

A water based class for older adults with arthritis, joint replacements, weak muscles, chronic pain or conditions that have mobility restrictions. The water provides support for the body while you stimulate your muscles, assist with joint pain and improve flexibility and balance. Participants do need to be competent in water.

Centres: HALC

GROOVE

A fun dance class that incorporates low/high intensity cardio and strength moves in an easy-to-follow, friendly environment. The class includes simple steps, a variety of music styles and a party atmosphere. It's guaranteed to get you dancing your way to a fitter you!

Centres: HALC

HIIT/HIIT 45

High Intensity Interval Training (HIIT) incorporates a full body workout designed to build muscle and increase cardiovascular fitness

Centres: APARC, BSC

KETTLEBELL

A demanding whole body workout using the kettlebell in a variety of dynamic movements to build strength, stamina and improve flexibility, balance and joint strength. This is a beginner level class for seniors who want to maintain and improve their independence and daily activities.

Centres: HALC

METCON

Metcon involves a combination of functional strength training and high intensity interval training – creating the ultimate whole body workout.

Centres: APARC, HALC

MOBILITY

By incorporating slow, dynamic movements focussed on stretching and releasing of the muscles and joints, Mobility classes are a great way to break up your week. This class will greatly improve your mobility, flexibility, balance and posture.

Centres: APARC, BSC, HALC

VIRTUAL CYCLE

Freestyle stationary cycle workout will build endurance and provides great cardiovascular training. We have fun group classes led by exhilarating virtual classes available for your convenience.

Centres: APARC

.....

YOGA (Classical)

Become healthier and happier in Classical Yoga by receiving a holistic approach to yoga. Classical Yoga is a blended format that uses all the best parts of other yoga. It is slightly lower in intensity and focuses on moving into poses as you breathe, stretch and relax. There is a big focus on becoming aware of your breath and mindfulness, focusing on the inner workings of your body and mind.

Centres: BSC, HALC

.....

YOGA (Gentle)

This class uses an intelligent mix of yoga postures, somatic movement, breath work and meditation to cultivate ease of movement and freedom of mind. This class is nurturing, cultivates strength and mobility in the joints and tissues of the body. The practice is light and creative but slower paced and gentle. It is great for any experience levels and also for those who feel like slowing it down and sinking deeper into their practice.

Centres: BSC, HALC

.....

YOGA (Dynamic)

Dynamic Yoga is a challenging workout which will increase strength, muscle tone, energy and flexibility through dynamic movements. This class will assist you to improve body awareness and help you to build natural strength while reducing stress and tension, leaving you feeling invigorated.

Centres: APARC

.....

YOGA (Hatha)

Focuses on improving mobility, breathing, balance and building up strength by incorporating postures that allow you to build up stamina in the muscles through extended holds in each position. Paired with breathing and concentration, leading into relaxation of the body and mind.

Centres: APARC, BSC, HALC

YOGA (Iyengar)

Iyengar Yoga exists to help students achieve and maintain health and wellbeing. Iyengar does this through emphasising precision and alignment in all poses, using props to assist all people at all stages of life to be able to access yoga and through sequencing – meaning there is importance placed on when and how poses are done.

Centres: BSC

.....

YOGA (Slow Flow)

Improve your strength and flexibility and balance whilst teaching your body to move with ease, grace and control. Slow the movement down, hold poses for a few breathes and emphasis calmness in the body and mind.

Centres: HALC

.....

YOGA (Vinyasa)

Vinyasa is an energizing, dynamic class that links breath with movement, while incorporating a continuous flow of postures. Your teacher will guide you through a series of yoga postures to create a flow, then each student moves through the sequence at his/her own pace.

Centres: APARC, HALC

.....

YOGA (Yin)

Yin Yoga targets the connective tissues of the hips, pelvis and lower spine. Yin postures are held for three to five minutes which gives the body an opportunity to open and release tension from deeper tissues. Yin Yoga is suitable for most levels of students.

Centres: APARC, HALC

.....
